

Notice

As *Renditions* reaches a significant milestone with the current issue, we regret to announce that the publication of the journal will conclude with this very edition, which combines works originally scheduled for autumn 2023 and spring 2024. Despite its larger volume, *Renditions* no. 100 still counts as a single issue and readers will not be charged beyond their usual subscription fees.

For our subscribers, any remaining issues left unfulfilled in their subscription term will be fully refunded. If you would like to arrange for a refund, please contact us at renditions@cuhk.edu.hk. All back issues will remain available on <https://rct.cuhk.edu.hk/renditions/publications/renditions-journal/>, where you can purchase past editions or access out-of-print issues for free.

The *Renditions* editorial team extends our deepest gratitude to our readers for joining us on this 50-year journey. While we will no longer accept new submissions or publish future issues, we hope you will continue to find inspiration from what we were able to share.
